Dear friends,

I am sure all of you must have got our last newsletter, but I could not help sharing these lovely pictures of our children with you. How we would all like to go back to our childhood and enjoy the fun and laughter these children have on hot days here at the centre. When we told them that they were going to swim, they thought they were off to the beach. For many have never seen the sea.

Any baby and children's clothing will be greatly appreciated.

What a fun way to beat the heat
